HERO Program Lead

Ms. Gail Sullivan

MS 5-21B

P.O. Box 37

Melbourne, FL 32902-0037

Dear Ms. Sullivan,

On Saturday, July 29, 2006 the Brevard Schools Foundation Take Stock in Children program held its Fifth Annual Back to School Supply Drive and Expo at the Melbourne Square Mall. On behalf of all the Brevard Schools Foundation I would like to thank you and the members of the HERO Program for your support in this effort.

Both the Back to School Supply Drive and Expo proved to be successful again this year. There were over **1600** Brevard Public School students that were given supplies on Saturday and many more will be picking up their supplies at the school board office this week.

It is only through the generosity of education-minded businesses such as yours that the Brevard Schools Foundation Take Stock in Children program is able to provide these enhancements for our public schools. I thank you for your support of excellence in education, which ultimately provides an invaluable benefit to all those who live and do businesses in our community. If you have any questions or comments regarding the Expo or Supply Drive, please do not hesitate to contact 756 or us at 633-1000, ext. 408.

Thank you,

Marilyn Fashano  
Program Coordinator
