Hero Program
Harris Corporation
ATTN: Walter Blaser
Palm Bay, FL

Dear Mr. Blaser,

Thank you for donating the Dell computers and monitors to the Greater Palm Bay Senior Center. These items will assist the Center with training seniors on how to use computers so they may communicate with the children and grand-children via e-mail and may learn how to use the internet.

Again, we thank the Harris Corporation for their generosity. It is greatly appreciated.

Sincerely,

Dave Roberts
President
