ELEMENTARY SCHOOL

Dear Mr. Huddleston,

Thank you for sharing the HERO program generous opportunity with the Brevard Public schools. I know that I drove a long way to check out your offerings and I was not disappointed. I found two chairs and you supplied a carton of copier paper that all fit in my little SOUL. I appreciate the kindness that every volunteer shared with me on my chilly Saturday journey. Your company and this program have created a positive memory and I will share the benefits with members of our school!

Best wishes for a peaceful and prosperous new year.
