Dear Mr. Baughman:

Club Esteem is a local after-school program for economically disadvantaged children in the Melbourne/Palm Bay. We provide activities in school readiness, college preparation, social and life skills, and the arts. A Harris employee, Justin Alston, volunteers his time 3 days a week to teach computer instruction and to update and maintain our technology. Mr. Alston contacted me about the HERO program and secured the following equipment for Club Esteem to be used to improve our existing equipment or to donate to families who cannot afford a computer.

The members of Club Esteem are grateful for your generosity. Your donation will be used to help educate and enlighten our children. Your good wishes will help us change their lives and provide them with ongoing hope.

Club Esteem is a not-for-profit organization registered with the Internal Revenue Service as a 501 (c) 3 corporation. Donations are tax-deductible. (Federal Employment #59-3317831)
